ANNOUNCEMENTS

WELCOME TO OUR

Family!

Sunday Worship at 10:30am

Wednesday Bible Class at 6:30/7:30pm

Welcome! We are so glad you are joining us for worship at West University Church of Christ. Typically, we have people greeting at the doors and welcoming you to our church! But since we are encouraging worshipping online again due to the recent spike in COVID-19, please know that we are thankful you have chosen to be with us this morning. We would love to know more about you: your name, any information you would like us to have, and anything we can be praying for. You can leave a Facebook message or go to our website!

We believe that a church isn't a place to gather or an event to attend, but a family in which all belong.

PRAYER REQUESTS

West U. Members **Crystal Moore** has been having health problems and recently had surgery. She will have another surgery in Dec. so please keep her uplifted in your prayers for her recovery. Please continue to pray for all our shut-ins including **Robert Kline, Jim Ledbetter, and Bob & Jean Allred.**

Family & Friends Please keep Jim Baites' Uncle, **Robert Simmons** from TN, in your prayers and thoughts as he recently lost his wife. Beth Lackey asks for prayers for **Russ & Traci Pennington's grandson, Louis Engle.** He is recovering from Trachea surgery to open an airway. He is only two months old. Also, please continue to pray for our families and friends that are sick and for the families that have lost loved ones.

PRAYER REQUESTS may be sent to the church office or to the elders at elders@westuchurch.org.

Please continue to pray for our elders, deacons, and church leadership as we search for our new minister and as we began to meet together in person again, safely. Pray that we remain connected with our unbreakable bond in Christ.

THANKSGIVING DAY. *A special day to be grateful for our many blessings.*

As many of us will be social distancing and not be sharing a meal with family and friends, it may be a hard time to find gratitude. We can show gratitude during this health crisis through praying for our healthcare workers, people less fortunate that are dealing with family losses, loss of jobs, and families truly suffering. God bless everyone during this stressful time, and may we all be blessed with thanksgiving.
